

Instructions for the abstracts

CERVIM international congress 2026

Abstracts must be written in English, according to the following rules:

- Title (Times New Roman, bold, 14)
- Author(s) (Surname followed by the first letter of the first name; role within the affiliated organisation; Times New Roman, bold, 12)
- Affiliation of author(s), including postal and electronic addresses
- Description of the purpose of the research
- Short description of methods used
- Description of results leading to the conclusions
- Conclusions

Abstracts will be published as they were received, with no corrections.

The length must not exceed one page A4, using the font Times New Roman, size 12, with 3 cm lateral margins and a 1.5 spacing between lines.

Italic characters must be used exclusively for Latin words.

The whole text, including the title, the author(s), the body text, the references and the spaces between words, should not exceed 2500 characters.

Abstracts should be sent using the [registration form](#) before 31st January 2026.

For any question, please write to: congres-cervim@lavaux.ch
